

CAPITAL CITY DEVELOPMENT PROGRAM 2016/ 17

The Capital City Committee's 2016/ 17 Development Program lists the projects Adelaide City Council and the South Australian Government have prioritised as key to development of Adelaide's city centre. Some of the projects are directly funded and delivered by the Committee, others are Council/ Government partnerships, areas of coordinated Council/ Government action or simply projects of key interest to the Committee given their strategic importance to the City.
